BE SMART . . .

[Please Do Your Homework](#)

NEVER buy from a Pet Store, middle man,
or broker.

Always get several INDEPENDENT refer-
ences for your breeder from people
actively involved in the breed you are
seeking.

Visit the breeder's actual kennel or double
the amount of references.

Always make sure you get a pedigree with
your pup.

Always make sure the pups parents are
registered with AKC.

Don't buy based on web sites or adver-
tisements – many are not legitimate.
